

Pasta and breadstick dinner will be served.

YOU are invited to Lincoln Elementary's

New ELA and Math games for you to play at home

We are busy planning our second Academic Parent Teacher Team meeting of the year. **Please note that grades K-5 will meet on 2/22/18, and 6th grade's meeting will be held at a different time (look for information from the 6th grade teachers).** If you have multiple children, you will select one grade level meeting to attend. Don't worry though! At the end of the meeting you will have 15 minutes to go to your other children's teachers to see the data graphs, write SMART goals, and collect the activities.

Please fill out the table below with your children's names and ages that will be attending. While you are at the meeting, students will be participating in a pre-selected activity (see below). Any non-school age children 2 years+ who require more care will be supervised in a different room to meet their needs. Our goal is to have 100% attendance for all of our APTT meetings. To help our planning, we need this important information from you.

Complete and return this form for a chance to win 1 of 2 Kindle Fire 7.0!!!

Thursday, February 22, 2018
